Description: Laetitia - the joy. We achieve this joy of good wine by extracting the juice from our best Vernatsch and Lagrein mash after about 12 hours.

On the palate, Laetitia presents with a fresh and fruity, delicate yet sweet taste of strawberries with fascinating richness and a flattering finish.

Recommended with: We recommend chilling this intensely aromatic, raspberry-colored rosé. It is ideal for light summer cuisine as well as exotic delicacies. "Rosé on the Rocks" is a must at any summer party.

Serving temperature: ca. 10°C
